

KLONDIKE SILVER EXTENDS PRIVATE PLACEMENT

May 27, 2024 - Vancouver, Canada – Klondike Silver Corp. (the “Company”) (TSX.V: KS) The Company has extended the private placement announced April 10, 2024. The Company will continue to accept participants to raise up to \$1,500,000 through the non-brokered private placement (the “Offering”) of up to 30,000,000 units at a price of \$0.05 per unit. Each unit will consist of one common share and one share purchase warrant, with each warrant exercisable for a period of 5 years from the closing at a price of \$0.05 per share in year one and two then \$0.08 per share in years three, four and five. All Units are subject to a four-month hold period from the date of issuance. Commissions may be paid on a portion of the funds raised. The Company anticipates closing the financing on or before June 26, 2024. The Offering is subject to TSX Venture Exchange (“TSXV”) final acceptance.

The net proceeds will be used for advancing the Sandon B.C. project, located 138 KM north of the Trail B.C. smelter, and for general working capital.

This news release does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities, in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the “1933 Act”), or any state securities laws, and may not be offered or sold within the United States unless an exemption from such registration is available.

Caution Regarding Forward-Looking Information

This news release includes certain information that may constitute "*forward-looking information*" under applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, statements about strategic plans, future work programs and objectives and expected results from such work programs. Forward-looking information necessarily involve known and unknown risks, including, without limitation, risks associated with general economic conditions; inability to access sufficient capital from internal and external sources, and/or inability to access sufficient capital on favourable terms; and other risks.

Forward-looking information is necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking information and the risks identified in the Company's continuous disclosure record. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. All forward-looking information contained in this news release is given as of the date hereof and is based upon the opinions and estimates of management and information available to management as at the date hereof. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by law.
